

## Limited Edition of 500. Only a Few Left!

This Lionel (production number **6-58512**) Southern Pacific Daylight mint car will go with past Southern Pacific steam and diesel locomotives, freight and passenger cars, regardless of manufacturer.

This car is manufactured and painted for us by Lionel. Features include metal brake wheel, die-cast sprung trucks/couplers and metal frame. Do not delay ordering as mint cars tend to sell out in the early months of promotion.

**This car is sold exclusively through the TCA Lone Star Division.**
